Need to ship furniture long distance?

Are you looking to ship just one item or maybe a few items of furniture? It can certainly be difficult to find a [reliable furniture shipping company](#) that can offer just such a service.

Often times it requires a few different companies to get the job done, one to pack, another to consolidate, ship, and then even yet another to deliver.

Well, at Ship Smart we have rewritten the rules when it comes to shipping furniture, making the process a whole lot simpler while at the same time keeping the costs affordable.

What we can ship for you!

For the last two decades we have been perfecting our methods to ensure that we can offer the best possible service at the most [cost effective rates](#).

And, with over 300 locations nationwide, we can ship furniture long distance from state to state, coast to coast, and even internationally.

We handle loads that are too large for traditional parcel services like FedEx and UPS. You can be sure no matter how small the piece or pieces are we can get it done for you, and at a fair price.

We have experience shipping items like:

- Living room sets – couches, ottomans, end tables, and TV stands
- Dining room sets – tables, chairs, china cabinets, and hutches
- Bedroom sets – beds, dressers, nightstands, and mattress sets
- Office furniture – desks, bookcases, and cabinets

So if you are looking to ship just one piece, two pieces, or a whole set of furniture then you've come to the right place.

Some of the shipping services we can offer you.

We can offer a variety of services to meet your needs. Options include:

- on-site packing
- boxing, and custom crating services
- curbside and full-service pickup/delivery options
- expedited shipping services with guaranteed delivery dates, and full-service insurance options (even for high-value goods)

So whether you're just looking to ship your desk to a family member or friend, or your entire family needing to divvy up an estate to ship to several destinations at once, you can be sure that we have the experience, expertise, and the know-how to get the job done, and get it done right.
