AIcounterparty's Client Consent Form

Introduction: This consent form, provided by Bunn.law, PLLC d/b/a AIcounterparty, outlines our practices for the collection, use, and processing of personal data provided by You about third parties. By signing this form, You, the client of AIcounterparty, consent to allow AIcounterparty to use the information related to a third-party "Counterparty" that You submit, including biographical data, speech and video recordings, and written communications, to create and train digital avatars for simulation purposes. You hereby consent to AIcounterparty's use of AI and CGI, among other technologies.

Client Responsibility:

- You affirm that all third-party information provided by You to AIcounterparty has been legally obtained and is lawfully in Your possession. You further hereby affirm and confirm that You have all right, title, and interest in the information You provide to AIcounterparty.

- You agree not to provide any information to AIcounterparty that You are not lawfully entitled to have within Your possession or control.

- You agree to indemnify Bunn.law, PLLC DBA AIcounterparty, and Robert Bunn, personally, against any legal claims or disputes arising from the use of unlawfully obtained data.

Marketing and Promotional Use:

- You grant AIcounterparty the right to use the avatars and any data generated during interactions with the avatars for marketing and promotional purposes. This includes, but is not limited to, use in advertisements, demos, case studies, and presentations to promote AIcounterparty's services.

- You understand that this use may involve public display and dissemination of the avatars and associated interaction data.

Data Collection:

1. **Third-Party Personal Information**: Includes name, age, job title, and other relevant biographical data of third parties.

2. **Audio and Visual Materials**: Any media such as photographs, video recordings, and audio recordings of third parties.

3. **Written Communications**: Any emails, letters, records, and transcripts involving third parties, relevant to Your objectives.

4. **Behavioral Data**: Any additional notes or recordings on third-party behavior patterns and communication style pertinent to the simulation.

Purpose of Data Collection: The data You provide will be used to:

- Develop what is intended to be a quasi-realistic digital avatar.

- Enable the avatars to emulate specified speech patterns, behaviors, and professional interactions of third parties.

- Enhance training and preparation for negotiations or court appearances, or other interactions, by providing a simulation type of interaction.

Data Use and Processing:

- All personal data will be processed in compliance with applicable privacy and data protection laws.

- Bunn.law, PLLC d/b/a AIcounterparty will take measures to secure Your data.

- Data will be retained only as long as necessary for the stated purposes or as required by law or governing Bar rules.

Consent Withdrawal and Data Deletion: You may withdraw Your consent at any time. Upon consent withdrawal, AIcounterparty will stop using the provided data and will ensure its deletion from our records.

Signature: By signing below, You confirm that You have read and understood this consent form, agree to the collection, use, and processing of data relating to a third-party as described, and affirm that You are signing voluntarily.
