

# The People and Ideas Behind Today's Most Influential Design 2009

## Beauty

Thanks to these eco-minded innovations in skin care, perfume and even salons, keeping oneself—and the earth—beautiful is only natural

## Farmaesthetics

This Rhode Island-based all-natural herbal skin-care line—offering everything from exfoliators made with crushed flowers to handmade bath salts—also boasts eco-friendly packaging and a certified two-year shelf life. [farmaesthetics.com](http://farmaesthetics.com)
