The Best Farm-Fresh Facials from Top Spas

The Retreat at Castle Hill by Farmaesthetics, Newport, RI

The Vibe: On the edge of the Atlantic Ocean, the seaside destination's new collaboration with Rhode Island-based skincare line [Farmaesthetics](#) feel connected to nature. Here, products and hand-infused oils are chock full of ingredients sourced from small farms.

The Treatment: Estheticians analyze your skin and then customize your facial using Farmaesthetics plant-based skincare products, which can include true geranium and lavender to cleanse, powdered milk to exfoliate and borage seed to hydrate and calm.
