## 10 Coachella-Friendly Beauty Products to Beat the Heat—No Water Required

Farmaesthetics®  
Fine Herbal Skincare From the Farm

"Fortunately, a crop of game-changing, eco-friendly, no-sink-required cleansing wipes, pads, sprays, and serums means you can spend more time dancing and less time waiting for running water—while still looking enviably fresh."

"This talc-free body powder is made of finely ground organic lavender buds, thyme flowers, sage, and kaolin clay to absorb excess moisture and deodorize without drying the skin."
