**VISION**

We believe in the spirit of Witaskewin, living together on the land. We believe this project can be part of an effective long-erm strategy to focus on this ideal. In a signiicant way this project allows the past to meet the present and future.

**Friends of the  
 Saskatoon  
 Afforestation  
 Areas Inc.**

# MISSION

Increase public awareness, community participation, and increased knowledge around the natural environment, the rich and diverse cultural, historic, natural heritage and place-based learning opportunities in the afforestation areas

# BUILD CITIZEN ACTION

What is the West Swale?

Who is the Loving Father of Trees?

Where is the Yorath Island Glacial Spillway?

Take action on the United Nations Sustainable Development Goals.
