

# Eye of Horus Slot: A Classic Game with a Modern Twist

**Eye of Horus slot** is a popular slot game that has been around for quite some time. It was first introduced in land-based casinos, but has since made its way into the online world. The game is based on ancient Egyptian mythology, with the Eye of Horus being one of the most important symbols in the game.

## **A Brief History of Eye of Horus Slot**

Eye of Horus was first released in 2016 by Merkur Gaming, a company that has been in the gaming industry for over 60 years. The game was an instant hit in land-based casinos and quickly gained a following. In 2017, the game was released online, which allowed even more people to enjoy it.

The game is set in ancient Egypt and features symbols such as the Eye of Horus, Anubis, scarab beetles, and the god Horus himself. The game has a simple layout

with five reels and 10 paylines. The minimum bet is \$0.10 and the maximum bet is \$20, making it accessible to players of all levels.

## **Features**

The Eye of Horus slot game has several features that make it stand out from other slot games. One of the most notable features is the expanding wilds. When a wild symbol appears on the reels, it will expand to cover the entire reel, increasing the chances of winning.

Another feature is the free spins bonus round. This is triggered when three or more scatter symbols appear on the reels. Players will receive 12 free spins and during this round, the wild symbol will be upgraded to a golden wild symbol. This means that it will not only expand to cover the entire reel, but it will also multiply any winnings by two.

## **Megaways**

In 2019, Blueprint Gaming released a new version of the game called Eye of Horus Megaways. This version of the game features the Megaways game engine, which allows for up to 117,649 ways to win on each spin.

The game also has additional features such as cascading reels, where winning symbols will be removed from the reels and replaced with new symbols. This can lead to multiple wins on a single spin.

## **Jackpot King**

In 2020, Blueprint Gaming released another version of the game called Eye of Horus Jackpot King. This version of the game features a progressive jackpot, which can be won by landing five jackpot symbols on the reels.

The game also has a bonus round where players can spin a wheel to win one of three jackpots: the Royal Pot, the Regal Pot, or the Jackpot King.

## **Eye of Horus: A Classic Slot Game with a Modern Twist**

Eye of Horus slot is a classic slot game that has stood the test of time. Its popularity has only grown since its release and the game has evolved to include new features and versions.

Whether you prefer the original version of the game, the Megaways version, or the Jackpot King version, there is something for everyone. The game's simple layout and ancient Egyptian theme make it appealing to players of all levels.
