CONCORD NAVAL WEAPONS STATION...is one of the largest
Nuclear facilities in America and the center of nuclear
weapons activity in the Bay Area. Located on Alluvial
material, near the Concord Fault, a branch of the San
Andreas..the source of the San Francisco earthquake..
On the hearth of a major population area...

A cause to pause, and consider..

the lives of the people in Central America..
and the truth of the Golden Rule.

The amount each American Taxpayer gives
towards wars..past, present and future..
is 59¢ of every \$1.00

We, the People, request that the
American Government begin envisioning
Peace and investing in a Peaceful Future.

People of the New Consciousness
are aware that we create our reality
day to day with our thoughts, words,
deeds and visualizations.
The power of creative visualization
is a fact..

the visualization of President
Ronald Reagan is to sell more
weapons.. The Reagan Administration
has told Congress that it wants to
increase arms sales abroad this year
to more than \$15 billion..

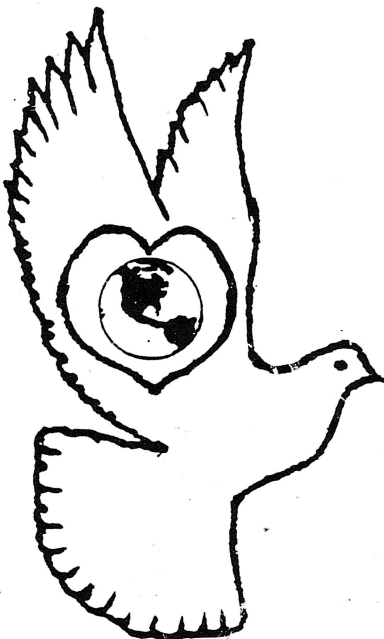

the arms sales envisioned by our
President and his friends will be to
Egypt, Pakistan, Israel, Japan, Kuwait,
United Arab Emirates, Turkey, Austria
and Denmark..

Children starve, elders need homes,
the People Plead for Peace...

as these men create a vision that
enriches their personal power..

"THE INNER PEACE WE SEEK
SHOULD BE SO ABSOLUTELY PURE,
SO STABLE, THAT IT CANNOT BE MOVED
TO ANGER BY THOSE WHO LIVE AND PROFIT
BY WAR."

Chagdud Tulka Rinpoche

PEACE MEDITATION of Buddhist Tradition

AT THIS VERY MOMENT
FOR THE PEOPLES AND THE NATIONS OF THE EARTH
MAY NOT EVEN THE NAMES
DISEASE, FAMINE, WAR, AND SUFFERING BE HEARD;
BUT RATHER MAY THEIR MORAL CONDUCT,
MERIT, WEALTH AND PROSPERITY INCREASE
AND MAY SUPREME GOOD FORTUNE
AND WELL BEING ALWAYS ARISE FOR THEM.
