

DE COLORES

De colores
De colores se visten los
campos en la primavera.
De colores
De colores son los pajaritos
que vienen de afuera.
De colores
De colores es el arco iris
que vemos lucir.

Y por eso los grandes amores
de muchos colores
me gustan a mi.

Canta el gallo,
Canta el gallo con el quiri quiri
quiri quiri quiri;
La gallina,
La gallina con el cara cara
cara cara cara;
Los pollitos,
Los pollitos con el pio pio
pio pio pi.

Y por eso los grandes amores
de muchos colores
me gustan a mi.
(se repite el primer verso y coro)

NO NOS MOVERAN

No no no nos no nos moveran
No no no nos no nos moveran
Como un arbol
planteado en el rio
No nos moveran

Viva el boicot
No nos moveran

Vamos a ganar
No nos moveran

Si se puede
No nos moveran

We're here to stop the death trains
We shall not be moved

WRATH OF GRAPES

I won't eat a grape for breakfast
I won't eat a grape for lunch
I won't eat a grape for dinner
Til you clean up every bunch.

Now some will kill you with a bullet
There's many ways to homicide
But in the fields of California
They will kill with pesticides.

(chorus)

Now I don't want your money, mister.
Please tell me why you are so mean
that you care not one damn, mister,
What you spray with your machine.
(chorus)

Call me names if you want, mister.
Call me red or pink or blue.
One thing's sure I'll tell you mister:
I'll not die because of you.
(chorus)

EYES ON THE PRIZE

Freedom's name is mighty sweet
Soon one day we're gonna meet.
Keep your eyes on the prize
Hold on (hold on); hold on, hold on
Keep your eyes on the prize, hold on

The only chain that we can stand
Is that chain of hand in hand
Keep your eyes on the prize...

Let the grapes accumulate
As we fight the growers hate
Keep your eyes on the prize...

In the name of peace we stand
To stop the death trains of this land
Keep your eyes on the prize...

It's a righteous fight we wage
To check the imperialist rampage

Corporate greed has brought us shame
No more murders in our name

We will vigil if we must
For we know our cause is just.

SOLIDARITY FOREVER

When unity's inspiration through the workers' blood shall run
There can be no power greater anywhere beneath the sun.
Yet what force on earth is weaker than the feeble strength of one?
But unity makes us strong.

CHORUS: Solidarity forever!
Solidarity forever!
Solidarity forever!
For unity makes us strong.

They have taken untold millions that they never toiled to earn,
But without our brain and muscle not a single wheel could turn.
We can break their haughty power, gain our freedom when we learn
That unity makes us strong.
CHORUS

In our hands is placed a power greater than their hoarded gold,
Greater than the might of armies magnified a thousand fold.
We can bring to birth a new world from the ashes of the old.
For unity makes us strong.
CHORUS

It is we who plowed the prairies, built the cities where they trade,
Dug the mines and built the workshops, endless miles of railroad laid.
Now we stand outcast and starving 'mid the wonders we have made;
But unity makes us strong!
CHORUS
