NONVIOLENT CIVIL DISOBEDIENCE

Concord Naval Weapons Station continues to ship arms to El Salvador that kill and maim women, children and men.

my soul

*groans within my womb
a wailing wall
that braces and resounds
the countless cries of mother-pain.*

*Jerusalem
Hiroshima
Chalatenago*

*Centuries of holocaust.
Appeasement to hate.*

now

*our daughters lie
crushed
like early corn;
felled and trampled
beneath fears-fury.*

*red rider thrusts his rapier
blade.
cold the chill
of dark december.*

my soul

*aches with sorrow songs.
i feel the swell and press
of woman-spirit
creator-spirit,
holy spirit.*

"Dare. Daughter!"

Rise

*from blood-soaked earth
a thousandfold.*

El Salvador

Beget a million sisters.
