

ARTS ACTIVITIES

Write forest puns for the Richard St. Barbe Baker Afforestation Area and the George Genereux Urban Regional Park.

stbarbebaker.wordpress.com

1. have a good nature joke but after listening to it, everyone just leaves!
2. How do you learn more about spiders that live in the afforestation areas?
Check out their web site!
4. Trees take out carbon from the air and give us oxygen to breathe. What is the richest kind of air? A millionaire!
5. Nature puns rock!!
