Any other business:

The Chairman congratulated Lisa and Nathan Manley for the 2nd quiz night held recently. It was noted that Tina's Titans won the quiz for a second time.

The Chairman reminded members of the Finance Committee that there was a meeting scheduled for Wednesday 13th April.

Concern about the misuse of the disabled toilet was expressed. The difficulty of preventing people not disabled from using the toilet was noted. Someone who might not be registered disabled but could be actually disabled unknown to anyone might wish to use the toilet. This will be dealt with in due course but its not acceptable for people to make a mess in the toilet and cause distress to others.

The Racing trip that was advertised was discussed. This isn't an official club event and can be dealt with outside of Committee. The Committee had merely agreed that a notice of interest be posted on the board.

The members of the Entertainment Committee were reminded that they had a meeting scheduled for 8pm on the 14th.

Concern over the lack of staff on the previous Saturday was shared. A discussion of staffing and the events that day followed. It was agreed that when such games as happened that day take place security will be for the whole 12 hours the club is open. The Secretary stated that the General Manager had tried really hard to recruit but to no avail.

The Chairman summarised the discussion by stating that when such events take place we have to ensure that there is sufficient staff , security and Committee volunteers on duty to minimise risk.

The Chairman closed the meeting.
