*Chain of Command of Riot Company:*

Company Commander: - N/A

Company Lieutenant: - N/A

Company Sergeant: - N/A

## **Duty of riot company members:**

Riot Company members must protect Second Lieutenant, Lieutenant, Captain, Major, Colonel, Battalion Commander, Regimental Commander, Commandant Marshal, Grand Marshal, Supreme Commander and the CG High Command (Company Commander, Lieutenant Thire, Commander Thorn and Commander Fox).

When there are no VIPs to protect, you must protect the border from raiders.  
When there are several officers, you must protect the highest rank (priority on CG High Command).

## **Killzones:**

The perimeter of a VIP's killzone is 5 studs, if someone who is not on the VIP's whitelist you must give him a warning by saying "BACK!" if he doesn't leave, you can kill him.

Your personal killzone is 2 studs.

NOTE: If you have to kill a member of a division because he entered in your or a VIP's killzone and he didn't leave after the warning and you have evidence, please report it to his CC.

## **Those who are automatically whitelisted in VIPs killzones and in yours:**

Officer+ (=Second Lieutenant+)

CG (=Coruscant Guard)

RI (=Republic Intelligence)

The VIP can whitelist and blacklist the people he wants.

If the VIP is talking to someone, you will wait until they stop talking, and if the VIP goes near someone, you can't say "BACK!".

## **OOS:**

Riot has OOS, which means you can't speak without whispering, to whisper, you can use the command "/w [USERNAME]"

You can only whisper to CG, CC+ of other divisions if they are in their divisional morphology and Officers (Second Lieutenant+). But you need to say "(w)" or "[w]" in the message, so we can know that you aren't breaking OOS. Breaking the OOS will result in removing you from the company. Only CS+ and Riot Instructor may talk out of OOS.

While in Riot Company you have OOS, you can't say anything, only:

"POST!"

"BACK!"

"STOP!"

"DISPERSE!"

Booth question: "Reason of entry?" "Carrying weapons?" "Republic or Confederacy?"

"GET OUT!" / "GET OUT OF HERE!"

"OOS." / "Oath of Silence."

"YOU HAVE 5 SECONDS DE TO COMPLY!"

You can also do a countdown: "V", "IV", "III" "II" "I".

## **Quota:**

Your quota as a riot company member is 7EPs.

You can get EPs by attending CTs, patrols, SSUs...

*If you attend an SSU, you will get 2EPs.*
