Thank you for wonderful article.

So many parents just want to put their children in front of television or on the phone watching videos. We would like to work and support the Early Childhood Education program at.

We have an Nigerian Children's Schools STEM Toys education Program. We would like to request the opportunity to support and work any of the professors for children's educational programs.

We are Real Rehoboth International Ventures Ltd, located at 50 Victoria Street. Ojota, Lagos.

Tel: 0913 043 2249. Program Name: Real Rehoboth Int'l Ventures Schools and Children's Toys Education Recreation Program

Our Mission is to make sure that all children and schools in Nigeria are trained and have access to recreational and educational STEM toys. We also have a children's toys donation program as well.

Kindly let us know when a member of our team can speak with your staff to answer any questions you may have about our program.

Best Regards

RRIV Program Team
