Equestrian Australia's Ready Set Trot Program

We have a large number of students participating in Equestrian Australia's Ready Set Trot ("RST") program since its introduction in Term 1, 2016. VPRS has created structured lesson plans for each week of the Term and these lesson plans are delivered to the students every week.

For those who are new to VPRS, RST is a four level certificate program developed to introduce children to horses and provide them with a better understanding of horsemanship in a fun and exciting way. The program strives to teach children the fundamentals of horsemanship with the development of riding skills and practical theory and activities. RST is available to all students and will be delivered in such a way that weekly riders should be able to successfully complete one ribbon level per Term. There are four ribbon levels in the program and Green Ribbon is the entry level.

To participate in the RST program, there is an additional fee of \$55 for the Green Ribbon Participant Registration Pack. Subsequent Yellow, Red and Blue Ribbon Participant Packs are only \$27 per level.

The **Green Ribbon** Participant Registration Pack includes:

•

- Participant folder including information, skills check lists and activity sheets
- Helmet cover
- Green Wristband
- Ready Set Trot Pen
- Champion-in-training sticker

Green Ribbon level registration fee \$55.00

Tick this box if you are new to VPRS and would like to participate in the Ready Set Trot Program and understand there is an additional fee of \$55 payable

SPECIAL NOTE TO EXISTING READY SET TROT RIDERS

Yellow and Red Ribbon Packs will be available for purchase from the VPRS office. Please purchase these packs directly from the office after you have been assessed, completed the required Quiz and told that you have passed. All students need to complete and pass a specially created VPRS Quiz before progressing to the next Ribbon level. The Quiz needs to be signed off by both the riding instructor and the instructor delivering the theory component of the program. The online Equestrian Australia Quiz is not applicable.
