

The Top 10 Countries with Universal Healthcare

Access to healthcare is listed as a fundamental human right in the constitution of the World Health Organization. **Universal healthcare** aims to deliver quality healthcare to everyone in a cost-effective way. **Universal healthcare** not only provides financial aid by reducing the cost of healthcare, but also aims to spread general awareness regarding health among the masses, helps to make better the healthcare infrastructure in a particular country, provide sanitation, ensures clean drinking water supply, and saves the future generation from the negative impact of poverty incurred due to expensive healthcare services provided by the public sector.

List of countries with Universal Healthcare

1. United Kingdom
2. Sweden
3. Spain
4. France
5. Japan
6. Singapore
7. Hong Kong
8. Australia
9. Switzerland
10. Norway
