Andrew Digiorgio, Public Safety Director
City of Ironwood Public Safety
123 W. McLeod Avenue
Ironwood, MI 49938

Dear Director Digiorgio,

Kindly treat this letter as the City of Ironwood Mayor's support for Ironwood Public Safety's funding request for a new Fire Truck for Ironwood Public Safety and Fire Department.

Fire safety and emergency response are the cornerstone of creating a safe and secure community for residents and visitors alike. Ironwood and all of Gogebic County face challenges with aging commercial and residential buildings. Many of these buildings are no longer code compliant and have an increased fire danger as a result. Having modernized fire response equipment is mandatory for our region. The purchase of this new fire truck will be a huge step in the direction of protecting our community and our citizens. The City of Ironwood City Commission has made the acquisition of a new Fire Truck one of their primary goals.

Thank you for this opportunity to provide a support letter for Ironwood Public Safety on their search for funding opportunities to purchase a new fire truck.

Sincerely,

Paul Anderson, City Manager
City of Ironwood
213 S. Marquette Street
Ironwood, MI 49938

Dear Mr. Anderson,

Kindly treat this letter as Xcel Energy's strong support for the City of Ironwood's to receive funding for a new fire truck for the Ironwood Public Safety and Fire Department.

Fire safety and emergency response are the cornerstone of creating a safe and secure community for residents and visitors alike. Ironwood, like many communities in Gogebic County, faces challenges with aging buildings that could be more susceptible to the risk for fire dangers. Having modern fire response equipment is a necessity in these areas and would be a huge step to protect our community and citizens.

Thank you for this opportunity to provide a support letter for the City of Ironwood on their search for funding opportunities to purchase a new fire truck.

Sincerely,
