**Service Day: *One Community. One Blue.***

On Wednesday, September 17, 2014, BCBSMA will build upon its more than 75-year legacy of community partnership and support with our fourth annual company-wide *Service Day: One Community. One Blue.* Powered by BlueCrew, our Service Day provides an opportunity for associates to come together on a single day in common purpose and shared vision to make a difference for communities across Massachusetts. While the company remains open for business, more than 3,200 associates volunteer together in service projects across the Commonwealth. In 2013, Blue Cross Blue Shield of Massachusetts associates contributed more than 16,000 volunteer hours on Service Day alone!
