Our Web site displays information using a standard Latin character set. At no additional cost, you can create your honoree's legacy story in an additional language besides English. To do so, locate the desired language and click on "Create a translation" under the "Operations" tab. When the template appears, it will contain a copy of the English- language version of the legacy story. You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings to the desired language, prepare your honoree's story in the desired language offline and cut and paste the new language text to replace into the template to replace the English-language text.

Text and image fields that are not modified will remain the same as in the English-language version. If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Americans All members can select Legacy Partners with which they or their honoree are affiliated to host their story on a Legacy Partner's Americans All landing page. However, Legacy Partners maintain the right to accept or remove a legacy story. By clicking on the "Edit" button at the top of your Americans All landing page, **(N)** you will be taken to a page to remove or reinstate a legacy story as well as update your Legacy Partner landing page.

If your landing page is open when a legacy story is added, the page must be refreshed in order for it to appear. Otherwise, it will automatically appear when you log in again.

To remove a story from a Legacy Partner landing page, uncheck the box in front of the honoree's name **(O)** and click on the "Publish" button at the bottom of the page. The honoree's legacy story will remain in the Americans All electronic database and the honoree's name will remain on the Legacy Partner's "Edit" page. The legacy story will not be visible to the public on this landing page. A notice of removal will be automatically sent to the creator of the honoree's legacy story.

If the legacy story was removed in error and should continue to be included on this landing page, place a check in the box in front of the honoree's name **(O)** and click on the "Publish" button at the bottom of the page. A notice of reinstatement will be automatically sent to the creator of the legacy story.
