Pursue what you love and become a professional

If you want to learn e-sports seriously, AFRAS is the place for you

Learn eSports one-on-one from a pro

Aflas is a school where you can become stronger in e-sports and games, while acquiring skills, knowledge, and various social skills through various game titles such as FORTNITE, APEX, VALORANT, and LOL, regardless of age.

Instructors who are also professional players will teach you authentic playing skills and training methods one-on-one.

Aflas has an environment where you can get closer to your dreams.

Choose your favorite title to study

Aflas has a wide variety of titles (sports) in which you want to become stronger, including famous e-sports titles. You can also aim to become a professional by mastering the genre or title you want to learn!

Aflas's proud e-sports professional instructors

At Aflas,

we have many instructors who are professional players who are active throughout Japan and around the world, including as members of professional teams and winning prize money in awards and tournaments.

Check out what senior Aflas students have to say !

Aflas has a wide range of students attending , regardless of age, including elementary school students, junior high school students, high school students, university students, adults (working adults), and seniors .

I am learning various things in preparation for establishing a professional team.

Nagoya Honyama School Misakichi

LEAGUE of LEGENDS VALORANT

I enjoy learning while deepening my friendships with my classmates.

Nagoya Honyama School Yuriyan

LEAGUE of LEGENDS

I learned the joy of not only watching but also playing.

Nagoya Honyama School Ketones

FORTNITE

I am improving my level every day with the students I attend.

Nagoya Honyama School Yunochi

APEX
